

DEC 17 2024

Dear Friends of AbbaCare,

Merry Christmas and Happy New Year! As 2024 comes to a close, we are so pleased to present you with our Impact Report. As you read the enclosed brochure, you will see the work God is doing through AbbaCare in Winchester and Martinsburg. We've witnessed countless blessings and joyful moments of new hope and new life that support from friends like you make possible for moms, babies, and families. Take this amazing story

A client came into our office and already had the abortion pills in her hand . She and her partner were conflicted on abortion because they had grown up in church and they believed if they had an abortion they would go to hell. We educated them on the physical and emotional side effects abortion can have, and we lovingly talked about consequences to sin and what a true relationship with Jesus looks like. We also talked to them about how AbbaCare would be there for them in the future. When they left they were still undecided.

They came back a few days later to have an ultrasound, we were then able to show them the baby, with a strong heartbeat. However, they still were not sure what they were going to do. When they left they shared with our staff how much they appreciated all that we had done for them, and how helpful it had been. A few days after that appointment we received a text message from the client stating that they had chosen to keep the baby! Praise God! They wanted to make sure our staff knew they had made the choice for Life!

We also had two clients this year who successfully completed the Abortion Pill Reversal protocol. This second chance to save their babies meant so much to these women, and our hearts were filled with joy to know we were able to be there for them in their time of need when they regretted taking the first abortion pill.

These interactions are literally life and death decisions. AbbaCare's staff are here being the hands and feet of Jesus to clients desperately in need of truth and hope, and I know we all consider it a privilege to partner with God in the amazing work He does!

As we look forward to the coming year, there is still much to accomplish and we are ready to serve the Lord in what He has called us to do with YOU by our side! As you review our impact report, consider how you can make a difference for LIFE. Here are some ways you can prayerfully respond:

Give the Gift of Life Monthly.

AbbaCare's monthly donor program is the foundation of our ministry of life to women in need of truth and hope, as well as our childbirth/parenting education, sexual integrity programming, and post-abortion counseling ministry.

Give a One-Time End of Year Gift.

Our year-end funding goal of \$20,000 will keep us on track for our annual budget for Winchester and Martinsburg.

Give a QCD.

Do you have an IRA from which you need to take an RMD? A Qualified Charitable Distribution is a donation that goes directly from your IRA to AbbaCare without being included in your taxable income.*

Give a Legacy Gift

A gift of stock, or naming AbbaCare as a beneficiary in your will or retirement account is a way to impact the ministry for years to come, and may provide you a tax benefit as well.*

Gifts can be made by check or online at abbacare.org/partners. If you have questions regarding legacy, stock, or QCD giving please feel free to reach out to me directly. We invite you to prayerfully consider partnering with us to provide compassionate care to those in need and take a stand for the most vulnerable among us-the unborn. Your gift provides truth and hope in Winchester and Martinsburg!

In His Service,

Nikki Morelli
Executive Director
