Building and Additional Land

Site plan work has been submitted to the planning commission. There will be a meeting in February at which we hope to receive approval of our plans. Part of this is a replatting of the land, which will allow us to complete the purchase of the additional land.

Salvation and Baptism

We are rejoicing at the salvation and baptism of Cooper. His family has been a part of the work here for about 3 years. Cooper came to his own personal understanding of his need of salvation and put his faith in Christ.

Soon after, he was baptized and many family and friends came to view his baptism. Please pray for all those that visited to think about their own spiritual needs and give us the chance to minister to them.

Of the 45 people who have been baptized since the work here began, the vast majority have been adults. It is a thrill to see the children starting to understand their need for salvation and baptism.

Outreach

We have had the most significant winter weather that we have seen in several years. Many of our normal outreaches are not possible. We have just sent some mail outreach cards and are praying for God's great blessings as they go into 5,000 homes.

We are also in the planning stages for things we will do around Easter and our summer children's ministries.

Pray for Marriages

We all know that Satan's attacks never cease. There are so many fronts upon which he battles us and certainly marriage and family is one of them.

Over the past 3 years, 6 men in our church have had their wives leave them. A couple of these men were long term Christians that were faithful in service to the Lord, but most were very new Christians or had not yet been saved when this happened.

Our church has done a lot of walking through the grief of these situations these men have encountered. We are blessed that all but one is still with us.

Pray that these men will heal properly and learn anything they need to know so they can grow from this experience.

Pray that we will all have the weight of this experience reinforce the importance of marriage and use it as motivation to move towards stronger families.

Pray for those who have a strong marriage to keep growing in faith and understanding of God's way so it can be better and better.

Pray a prayer of rejoicing for marriages that were saved and are now testimonies of what God can do if both individuals will surrender.

Pray that across the board our churches will experience a strengthening of marriages for God's glory.
